

PHERT

Pre Hospital Resuscitation and Trauma Program (incorporating PHTLS)

COURSE OUTLINE

Target Audience

This unique 3-4 day multi-disciplinary program is designed to further develop and enhance knowledge and skills of health care professionals.

This program delivers the latest advances and innovations in medical / trauma emergency management.

Suitable to refresh qualifications and gain currency in skills for pre hospital care providers and provide valuable professional development to any hospital / allied health care worker.

This program consists of 'nationally recognised' units of competency from the Certificate IV in Emergency Medical Response (10367NAT) and is recognised by the Australasian Registry of Emergency Medical Technicians (AREMT).

Entry Requirements

Previous / current pre-hospital and allied healthcare qualification or equivalent.

Units of Competency

See list over page.

Duration and Mode of Delivery

3 days (face to face) plus approx. 9 hours pre course study.

Optional:

Wound Closure: 4 hours (face to face) plus approx. 2 hours pre course study.

ECG Recognition: 4 hours (face to face).

Cost Includes

Texts, Workbooks, CPR Card, Statement of Attainment.

COURSE CONTENT

- **Advanced Airway Management**
 - Supraglottic Airways
- **Advanced Circulatory Technology**
 - Impedance Threshold Devices
 - Active Compression Decompression CPR
- **Mechanical Assisted CPR Devices**
- **Haemorrhage Control**
- **Intravenous Therapy**
- **Intraosseous Vascular Access**
- **Spinal Immobilisation**
- **Musculoskeletal Immobilisation**
- **Chemical & Burns Management**
- **Multi Casualty Incidents (Triage)**
- **Trauma Emergencies**
- **Holistic Assessments**

Optional:

- **ECG (3 Lead)**
- **Wound Closure**
