**\$246.00 (GST excl.)**

Usually \$ 287.00

## ZOLL AED3 - Fully Automatic & Semi Automatic

Introducing a new defibrillation platform for professional rescuers that builds on our reputation for providing rescuers with unmatched support plus a low total cost of ownership.

The AED 3 BLS takes the best support for rescuers during a rescue to the next level with:

Real CPR Help that can see your chest compressions during CPR to let you know, in adult rescue mode, when you're doing high-quality.

CPR at a rate of at least 100 compressions per minute and 5 to 6cm deep for adults.

CPR Dashboard with patient ECG, compression rate and depth, CPR cycle countdown timer, shock count and total elapsed time.

Shock delivery 4 seconds after stopping CPR, for a more effective shock.

Universal CPR Uni-padz for push-button selection of adult or child rescue.

Reviewable clinical event data showing key statistics, along with ECG and matching chest compressions.

**1 semi-auto left  
2 automatic left
