

# First Response Australia

May / June Special

## Responder Pro

(Oxygen Resuscitation & Trauma Pack - with igels & Diagnostics)

(cylinder not included)

*This popular backpack takes a standard C size cylinder with a series of pockets to take masks, airways, tubing, bag valve mask, suction unit and a host of diagnostic equipment etc. It has a concealed back pack harness and also side carry handles. A reinforced base for the cylinder and secure attachment sleeve, make this a strong versatile pack for the professional paramedic.*
